

Date (Week)	Tasks Accomplished
9/8 – 9/14	<ul style="list-style-type: none"> - Thought of ideas for the project - Somewhat assigned roles to each member of the group
9/15 – 9/21	<ul style="list-style-type: none"> - Changed project from chess game to news website - Researched which tools we would use to implement project
9/22 – 9/28	<ul style="list-style-type: none"> - GitHub repo was created - Decided on Bootstrap for UI, Google Firebase and Authentication for user accounts, GitHub pages for where site would be held.
9/29 – 10/5	<ul style="list-style-type: none"> - Collaborated with Jason and Jian on their plans for the website template and design. - Brainstormed ideas on the layout of each html file.
10/6 – 10/12	<ul style="list-style-type: none"> - Researched how to get the data from each news source/category onto website. - Decided web scraping would be too difficult and time consuming
10/13 – 10/19	<ul style="list-style-type: none"> - Decided on using NewsAPI because it had filters for categories, sources, and different metrics - Researched how to implement an API with JavaScript.
10/20 – 10/26	<ul style="list-style-type: none"> - Researched JSON and how it would implement with JavaScript - More research on JavaScript, HTML, and CSS because I never really worked with those languages before.
10/27 – 11/2	<ul style="list-style-type: none"> - Got JavaScript Code to retrieve data from API and put it on an HTML file. - Showed group first test with one news sources on its proper HTML. - Fixed formatting issues with HTML and CSS.
11/3 – 11/9	<ul style="list-style-type: none"> - Finally got a build of JavaScript Code, HTML code, CSS code that I was happy with and added that for all news sources. Commit - Fix bugs with previous commit. Commit
11/10 – 11/16	<ul style="list-style-type: none"> - Added Script for NBC news. Commit - Focused and researched design options for all the HTML files.
11/17 – 11/23	<ul style="list-style-type: none"> - Decided on doing cards for the design for the HTML files because it made the most sense.

	<ul style="list-style-type: none"> - Played around with different colors and themes that would look the best on the website.
11/24 – 11/30	<ul style="list-style-type: none"> - Met up with Jian on campus after class and worked on the project. - Pushed initial design of HTML pages to the repo. Commit
12/1 – 12/8	<ul style="list-style-type: none"> - Changed design of HTML pages and pushed to repo. Commit - Implemented code for broken image links so that there is a default image when there is no image for an article. Commit - Added bookmark button code to each JavaScript files so users would be able to save articles. Commit - Added ESPN to news sources and created HTML for it. Commit - Changed design of HTML files to match search design a bit more. Commit - Fixed navigation bar bugs. Commit
